Jurisdiction and Venue

3. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent to the entry of a final order by the Court.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 327(a), 328(a), and 1107 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

6. Cineworld Group plc (“Cineworld,” and together with its Debtor and non-Debtor affiliates, the “Group”) is unwavering in its vision to be “The Best Place to Watch a Movie.” As the second-largest cinema chain in the world by number of screens, the Group brings its vision to life each day in modern cinemas with cutting-edge technology. Headquartered in Brentford, United Kingdom, the London Stock Exchange-listed company, operating under five major brands, employs a global workforce of approximately 30,000 employees and operates 747 locations with 9,139 screens in 10 countries.

7. On September 7, 2022 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of the Debtors, their businesses, and the facts and circumstances supporting the Debtors’ chapter 11 cases are set forth in greater detail in the First Day Declarations.

8. On the Petition Date, the Court entered an order authorizing the joint administration and procedural consolidation of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b) and Bankruptcy Local Rule 1015-1 [Docket No. 32]. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On September 23, 2022, the Office of the United States Trustee for the Southern District of Texas (the “U.S. Trustee”) appointed an official committee of unsecured creditors (the

“Committee”) [Docket No. 419]. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases.

9. The terms of this Application, as well as the terms of the Order entered with respect to this Application, shall apply to any and all affiliates of the Debtors that have not yet filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code as of the Petition Date, but which subsequently file such a petition during the pendency of these chapter 11 cases.

Retention of EY LLP

10. Over the course of its relationship with the Debtors, EY LLP has developed the necessary background to assist the Debtors in connection with the Engagement Letters. EY LLP has also been retained in numerous prominent chapter 11 proceedings. EY LLP’s qualifications are more fully set forth in the Ericson Declaration.

11. EY LLP is a member of Ernst & Young Global Limited (“EYGL”), which encompasses a global network of independent professional services practices conducted by separate legal entities throughout the world.³ The Debtors have determined that EY LLP has the resources and experience necessary to perform tax related services in these chapter 11 cases.

12. The Debtors seek to retain EY LLP because of its existing advisory relationship with the Debtors and EY LLP’s experience and extensive knowledge of restructuring, accounting, tax, advisory, and related issues. EY LLP is already familiar with the relevant financial information and other data maintained by the Debtors and is qualified and well-positioned to provide the services contemplated herein to the Debtors in an efficient and cost-effective manner.

³ Such legal entities are members of EYGL, a company incorporated under the laws of England and Wales and limited by guarantee, with no shareholders and no capital. The member firms of EYGL have agreed to operate certain of their professional services in accordance with agreed standards, but remain separate legal entities with each member firm being locally owned and managed.

EY LLP has considerable experience providing tax and financial advisory services to businesses in a chapter 11 environment and has been employed in numerous cases under the Bankruptcy Code. Accordingly, the Debtors believe that EY LLP's employment is in the best interests of the Debtors and their estates, creditors, stakeholders, and other parties in interest.

Services to Be Provided

13. Subject to the Court's approval, the Debtors anticipate that EY LLP will perform the following services (collectively, the "Services")⁴ pursuant to the Engagement Letters:

A. Advisory Services

- a. The scope of the bankruptcy tax advisory services (the "Advisory Services") will consist of developing an understanding of the tax implications associated with the Debtors' chapter 11 filing.

- d. EY LLP will understand and advise on the U.S. tax implications of reorganization and/or restructuring alternatives the Debtors are evaluating with existing creditors that may result in a change in the equity, capitalization, and/or ownership of the shares of the Debtors and their assets. As requested, EY LLP will prepare projections of future taxable income reflecting the restructuring alternatives.
- e. EY LLP will gather information, prepare calculations ("Section 382 Calculations") and apply the appropriate federal and state and local tax law to historic information regarding changes in the ownership of the Debtors' stock to calculate whether any of the shifts in stock ownership may have caused an ownership change that will restrict the use of tax attributes (such as net operating loss, capital loss, credit carry forwards, and built in losses)

⁴ To the extent that any summary set forth herein differs from the terms of the Engagement Letters, the terms of the Engagement Letters shall control. Capitalized terms used but not defined in this section shall have the meaning assigned to them in the applicable Engagement Letters.

and the amount of any such limitation.

- f. EY LLP will prepare calculations and apply the appropriate U.S. federal and state and local tax law to determine the amount of tax attribute reduction related to debt cancellation income and modeling of tax consequences of such reduction.

- i. EY LLP will analyze U.S. federal and state and local tax consequences of:
 - i. restructuring and rationalization of intercompany accounts, and upon written request, will analyze tax impacts of transfer pricing and related cash management;
 - ii. restructuring in the U.S. or internationally during bankruptcy, including tax return disclosure and presentation;
 - iii. potential bad debt and worthless stock deductions, including tax return disclosure presentation; and
 - iv. employee benefit plans, as requested in writing.
- j. EY LLP will advise Debtor personnel on the bankruptcy tax process and procedure lifecycle, the typical tax issues, options, and opportunities related to a chapter 11 filing, the typical impact of a chapter 11 filing on a corporate tax department's operations, and leading practices for addressing such impact areas while operating in bankruptcy and the post-emergence period.
- k. As requested by the Debtors, EY LLP will assist with various tax, compliance and audit issues arising in the ordinary course of business while in bankruptcy, including but not limited to: IRS and/or state and local income and indirect tax audit defense, and compliance questions, notices or issues related (but not limited) to: federal, state, and local income/franchise tax, sales and use tax, property tax, employment tax, credit and incentive agreements, and unclaimed property.

- l. If applicable, EY LLP will advise on potential alternatives and elections relative to the CARES Act and the Tax Cuts and Jobs Act.
- m. EY LLP will advise and/or assist, as requested and as permissible, with determining the validity and amount of bankruptcy tax claims or assessments, including but not limited to the following types of taxes: income taxes, franchise taxes, sales taxes, use taxes, employment taxes, property taxes, severance taxes, excise taxes, credit and incentive agreements, other miscellaneous taxes or regulatory assessments and fees, and unclaimed property.
- n. As requested by the Debtors, EY LLP will scope, assist, and advise on the potential for seeking cash tax refunds, including but not limited to the following types of taxes: income taxes, franchise taxes, sales taxes, use taxes, employment taxes, property taxes, tax credit and incentive agreements and unclaimed property.
- o. EY LLP will provide documentation, as appropriate or necessary, of tax matters, of tax analysis, opinions, recommendations, conclusions and correspondence for any proposed restructuring alternative, bankruptcy tax issue, or other tax matter described above. The Debtors will be responsible for all accounting and management decisions.
- p. EY LLP will assist with tax compliance issues arising in the ordinary course of business while in bankruptcy, including but limited to identifying proactive tax return disclosures and bankruptcy-specific cover letters or requests, and addressing notices received in bankruptcy context.
- q. As requested, EY LLP will provide support and tax analysis with respect to other routine federal, state and local income tax and non-income matters related to the ongoing operations of the Debtors that are not covered by a separate SOW and do not involve any significant tax planning or transactions outside the transactions anticipated as part of the bankruptcy.

B. Tax Compliance Services

- a. EY LLP will prepare an Amended U.S. Form 1120 (“U.S. Corporate Income Tax Return”) for Crown Intermediate HoldCo and its subsidiaries for the tax year ended December 31, 2019.
- b. EY LLP will prepare amended prior year corporate state tax returns for those entities and years listed on Appendix A of the First Tax Compliance SOW.
- c. EY LLP will prepare a U.S. Corporate Income Tax Return for Crown Finance US, Inc. and its subsidiaries for the tax year ended December 31, 2021.
- d. EY LLP will prepare a U.S. Corporate Income Tax Return for R&S Theatres, Inc. for the tax year ended December 31, 2021.

- e. EY LLP will prepare territorial and state and local tax returns for the entities and jurisdictions listed in Appendix A of the Second Tax Compliance SOW for the tax year ended December 31, 2021.

14. Should the Debtors request EY LLP to perform additional services not contemplated by the Engagement Letters, the Debtors and EY LLP will mutually agree upon such services and fees for those in writing, in advance. The Debtors shall file notice of any proposed additional services and any underlying engagement agreement with the Court and serve such notice on the U.S. Trustee, counsel for the Committee, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection within fourteen days of the Debtors filing such notice, such additional services and any underlying engagement agreement may be approved by the Court by further order without further notice or hearing.

Professional Compensation

15. Pursuant to section 328(a) of the Bankruptcy Code, the Debtors request that the Court approve the retention of EY LLP on the fee terms and at the rates expressed in the Engagement Letters. The following is a brief summary of some of the more salient fee terms of the Engagement Letters, and the Engagement Letters set forth all of the compensation and expense reimbursement provisions that shall apply thereunder.

16. Provision of the Advisory Services pursuant to the Advisory SOW will be billed based on EY LLP's hourly rates for such Services, which currently are as follows:

| <u>Title</u> | <u>Hourly Rate (USD)</u> |
|---------------------|---------------------------------|
| Partner/Principal | \$1,250 |
| Managing Director | \$1,150 |
| Senior Manager | \$950 |
| Manager | \$850 |
| Senior | \$600 |
| Staff | \$400 |

17. Provision of the Services pursuant to the First Tax Compliance SOW will be provided for a fixed fee of \$75,000.

18. Provision of the Services pursuant to the Second Tax Compliance SOW will be provided for a fixed fee of \$195,000.

19. EY LLP's fees are exclusive of taxes or similar charges, as well as customs, duties, or tariffs imposed in respect of the Services, all of which the Debtors shall pay (other than taxes imposed on EY LLP's income generally).

20. In addition to the fees set forth above, the Debtors shall reimburse EY LLP for any direct expenses incurred in connection with EY LLP's retention in these chapter 11 cases and the performance of the Services set forth in the Engagement Letters including any potential value-added taxes ("VAT"), sales taxes, and other indirect taxes incurred in connection with the delivery of the Services. EY LLP's direct expenses shall include, but not be limited to, reasonable and customary out-of-pocket expenses for items such as travel, meals, accommodations, and other expenses (including any fees or reasonable expenses of EY LLP's legal counsel) related to this engagement. EY LLP will charge the Debtors for these direct expenses at EY LLP's cost.

21. EY LLP will apply to the Court for allowance of compensation for Services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any orders entered in these chapter 11 cases regarding professional compensation and reimbursement of expenses.

22. EY LLP will maintain records in support of any actual, necessary costs and expenses incurred in connection with the rendering of its services in these chapter 11 cases. EY LLP will maintain records in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, or other applicable procedures and orders of the Court for all Services performed under the Advisory SOW. However, because EY LLP's compensation under the First

Tax Compliance SOW and Second Tax Compliance SOW (the “Compliance SOWs”) is a fixed fee, the Debtors request that EY LLP’s professionals only be required to maintain records (in summary format) of the Services rendered for the Debtors under the Compliance SOWs, including summary descriptions of those services, the approximate time expended in providing those services (in half-hour increments), and the identity of the professionals who provided those services. EY LLP will present such records to this Court in its fee applications.

23. The hourly rates and corresponding rate structure that EY LLP will use in these chapter 11 cases (a) are the same that EY LLP uses in similar matters regardless of whether a fee application is required and (b) reflect EY LLP’s normal and customary billing practices for engagements of this complexity and magnitude. These rates and the rate structure reflect complex matters that are typically national in scope and involve great complexity, high stakes, and severe time pressures. The hourly rates vary with the experience and seniority of the individuals assigned. The Debtors believe that these compensation arrangements are market-based and reasonable considering EY LLP’s vast knowledge and experience.

24. The Debtors believe the Engagement Letters and the fees contemplated therein are consistent with, and typical of compensation arrangements entered into by EY LLP and other comparable firms in connection with the rendering of similar services under similar circumstances. The terms and conditions in the Engagement Letters are reasonable, consistent with the market, and designed to compensate EY LLP fairly for its work and to cover fixed and routine overhead expenses.

Certain Provisions of the Engagement Letters

25. EY’s provision of Services to the Debtors is contingent upon this Court’s approval of the terms and conditions set forth in the Engagement Letters.

26. Included among the terms and conditions set forth in the Engagement Letters are dispute resolution provisions substantially similar to the following:

Any controversy or claim with respect to, in connection with, arising out of, or in any way related to this Agreement or the services provided hereunder (including any such matter involving any parent, subsidiary, affiliate, successor in interest or agent of the Client or its subsidiaries or of EY LLP) shall be brought in the Court or the applicable District Court (if such District Court withdraws the reference) and the parties to this Agreement, and any and all successors and assigns thereof, consent to the jurisdiction and venue of such court as the sole exclusive forum (unless such court does not have jurisdiction and venue of such claims or controversies) for the resolution of such claims, causes of action or lawsuits. The parties to this Agreement, and any all successors and assigns thereof, hereby waive trial by jury, such waiver being informed and freely made. If the Court or the District Court upon withdrawal of the reference, does not have or retain jurisdiction over the foregoing claims or controversies, the parties to this Agreement and any and all successors and assigns thereof, agree to submit first to nonbinding mediation; and, if mediation is not successful, then to binding arbitration, in accordance with the dispute resolution procedures set forth in the Exhibit 1 to these Terms and Conditions. Judgment on any arbitration award may be entered in any court having proper jurisdiction. The foregoing is binding upon the Client, EY LLP, and any all successors and assigns thereof.

27. The Engagement Letters may be terminated by EY LLP or the Debtors in accordance with their terms. The Debtors or EY LLP may terminate the Engagement Letters at any time in writing, but in any event the Engagement Letters will terminate upon the effective date of the Debtors' confirmed plan of reorganization, the liquidation of the Debtors' assets under chapter 11 or 7 of the Bankruptcy Code, or otherwise. Notwithstanding such termination, however, the Debtors' estates will remain obligated to pay all accrued fees and expenses as of the effective date of such termination. Moreover, as detailed therein, certain other terms of the Engagement Letters will continue (either indefinitely or for a specified period of time) following termination.

EY LLP's Disinterestedness

28. In connection with the proposed retention by the Debtors in these chapter 11 cases, EY LLP received and reviewed a list of parties in interest (the "Parties in Interest") from the Debtors. To the extent that EY's review of relationships with the Parties in Interest indicated that EY has in the recent past, or currently has, a client relationship with the Parties in Interest in matters unrelated to these chapter 11 cases, it is indicated in Schedule 1 attached to the Ericson Declaration.

29. To the best of EY LLP's knowledge and except to the extent disclosed herein and in the Ericson Declaration, EY LLP: (a) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code; (b) does not hold or represent an interest adverse to the Debtors' estates; and (c) has no connection to the Debtors, their creditors, or their related parties. To the extent EY LLP discovers any new relevant facts or relationships bearing on the matters described herein during the period of EY LLP's retention, EY LLP will promptly inform the Court as required by Bankruptcy Rule 2014(a).

30. On or about August 18, 2022, EY LLP submitted an invoice to Debtor Regal Cinemas, Inc. in the amount of \$150,000 for bankruptcy tax advisory services (the "Retainer"). On or about August 30, 2022, EY LLP received the Retainer payment from Debtor Regal Cinemas, Inc. As of the Petition Date, the balance of the Retainer was \$150,000. EY LLP shall apply \$122,553 from the Retainer toward fees and expense reimbursements for bankruptcy tax advisory services that EY LLP provided to Debtor Regal Cinemas, Inc. between August 18, 2022 and the Petition Date, and the remaining \$27,447 from the Retainer to post-petition fees and expense reimbursements that the Debtors are authorized to pay to EY LLP for bankruptcy tax advisory services during these chapter 11 cases.

31. During the ninety days before the Petition Date, the Debtors paid approximately \$753,081.94 to EY LLP, of which \$150,000 constituted the Retainer.

32. For these reasons, to the best of the Debtors' knowledge, information, and belief, and based on the Ericson Declaration, none of EY LLP's past or current engagements would or appear to create an interest materially adverse to the interests of the Debtors, creditors, or equity security holders in these chapter 11 cases. Therefore, EY LLP is disinterested and holds no materially adverse interest to the Debtors' estates.

No Duplication of Services

33. The Debtors intend that the services of EY LLP will complement, and not duplicate, the services rendered by any other professional retained in these chapter 11 cases. To the best of the Debtors' knowledge, EY LLP understands that the Debtors have retained, and may retain, additional professionals during the term of the engagement and will work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors.

Basis for Relief

34. The employment and retention of EY LLP under the terms described herein is appropriate under sections 327(a) and 1107(b) of the Bankruptcy Code. Section 327(a) of the Bankruptcy Code empowers the trustee, with the Court's approval, to employ professionals "that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the trustee in carrying out the trustee's duties under this title." 11 U.S.C. § 327(a). Section 101(14) of the Bankruptcy Code defines a "disinterested person" as a person that:

- (a) is not a creditor, an equity security holder, or an insider;
- (b) is not and was not, within two years before the date of the filing of the petition, a director, officer, or employee of the debtor; and
- (c) does not have an interest materially adverse to the interest of the estate or of any class of creditors or equity security holders, by reason of any direct or

indirect relationships to, connection with, or interest in, the debtor, or for any other reason.

11 U.S.C. § 101(14).

35. Further, section 1107(b) of the Bankruptcy Code provides that “a person is not disqualified for employment under section 327 of this title by a debtor in possession solely because of such person’s employment by or representation of the debtor before the commencement of the case.” 11 U.S.C. § 1107(b). EY LLP’s prepetition relationship with the Debtors is therefore not an impediment to EY LLP’s retention as the Debtors’ post-petition provider of tax and advisory services.

36. Section 328(a) of the Bankruptcy Code authorizes the employment of a professional person “on any reasonable terms and conditions of employment, including on a retainer” 11 U.S.C. § 328(a). The terms and conditions of EY LLP’s retention as described herein are reasonable and in keeping with the terms and conditions typical for engagements of this size and character. It is reasonable for the Debtors to seek to retain and employ EY LLP to serve as their provider of tax and advisory services on the terms and conditions set forth herein.

37. EY LLP intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court’s approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any other applicable procedures and orders of the Court, with certain limited modifications.

38. Specifically, the Debtors request that the requirements of Bankruptcy Rule 2016 be tailored to the nature of EY LLP’s engagement and its compensation structure with respect to the Compliance SOWs. EY LLP has requested, pursuant to section 328(a) of the Bankruptcy Code, payment of its fees on a fixed-rate and hourly basis and the payment of the fees described in the

Engagement Letters, which, as set forth above, is customary in the financial services industry. Additionally, it is not the general practice of financial services firms to keep detailed time records similar to those customarily kept by attorneys for flat rate Services. As discussed above, however, EY LLP's personnel in these chapter 11 cases will keep summary time records in half-hour increments describing their daily activities and the identity of persons who performed such tasks for Services performed under the Compliance SOWs. As such, the Debtors request modification of the requirements under Bankruptcy Rule 2016.

Notice

39. The Debtors will provide notice of this Application to the following parties or their respective counsel: (a) the U.S. Trustee; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to the Committee; (d) the agent under the Prepetition Priming Facility, and counsel thereto; (e) the agent under the Prepetition Legacy Term Facilities, and counsel thereto; (f) the agent under the Revolving Credit Facility, and counsel thereto; (g) counsel to the ad hoc group of Prepetition Revolving Lenders; (h) counsel to the Ad Hoc Term Loan Group; (i) the agent under the Settlement Facility, and counsel thereto; (j) counsel to lenders under the Settlement Facility; (k) the trustee under the Convertible Bonds, and counsel thereto; (l) counsel to the ad hoc group of holders of Convertible Bonds; (m) the agent under the DIP Facility, and counsel thereto; (n) the Office of the United States Attorney for the Southern District of Texas; (o) the state attorneys general for states in which the Debtors conduct business; (p) the Internal Revenue Service; (q) the Securities and Exchange Commission; (r) the Environmental Protection Agency; (s) other governmental agencies having a regulatory or statutory interest in these cases; and (t) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no further notice is required.

WHEREFORE, the Debtors request that the Court enter the Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

As requested, EY LLP will prepare projections of future taxable income reflecting the restructuring alternatives.
- e. EY LLP will gather information, prepare calculations (“Section 382 Calculations”) and apply the appropriate federal and state and local tax law to historic information regarding changes in the ownership of the Debtors’ stock to calculate whether any of the shifts in stock ownership may have caused an ownership change that will restrict the use of tax attributes (such as net operating loss, capital loss, credit carry forwards, and built in losses)

To the extent there is any discrepancy between the summaries contained in this Declaration and the terms of the Engagement Letters themselves, the terms of the Engagement Letters shall control.

 - iv. employee benefit plans, as requested in writing.
- j. EY LLP will advise Debtor personnel on the bankruptcy tax process and procedure lifecycle, the typical tax issues, options, and opportunities related to a chapter 11 filing, the typical impact of a chapter 11 filing on a corporate tax department's operations, and leading practices for addressing such impact areas while operating in bankruptcy and the post-emergence period.
- k. As requested by the Debtors, EY LLP will assist with various tax, compliance and audit issues arising in the ordinary course of business while in bankruptcy, including but not limited to: IRS and/or state and local income and indirect tax audit defense, and compliance questions, notices or issues related (but not limited) to: federal, state, and local income/franchise tax, sales and use tax, property tax, employment tax, credit and incentive agreements, and unclaimed property.

- l. If applicable, EY LLP will advise on potential alternatives and elections relative to the CARES Act and the Tax Cuts and Jobs Act.
- m. EY LLP will advise and/or assist, as requested and as permissible, with determining the validity and amount of bankruptcy tax claims or assessments, including but not limited to the following types of taxes: income taxes, franchise taxes, sales taxes, use taxes, employment taxes, property taxes, severance taxes, excise taxes, credit and incentive agreements, other miscellaneous taxes or regulatory assessments and fees, and unclaimed property.

The Debtors will be responsible for all accounting and management decisions.
- p. EY LLP will assist with tax compliance issues arising in the ordinary course of business while in bankruptcy, including but limited to identifying proactive tax return disclosures and bankruptcy-specific cover letters or requests, and addressing notices received in bankruptcy context.
- q. As requested, EY LLP will provide support and tax analysis with respect to other routine federal, state and local income tax and non-income matters related to the ongoing operations of the Debtors that are not covered by a separate SOW and do not involve any significant tax planning or transactions outside the transactions anticipated as part of the bankruptcy.

EY LLP's Disinterestedness

4. Based on the connections check process described herein, to the best of my knowledge, information, and belief, EY LLP (a) does not hold or represent an interest adverse to the Debtors' estates and (b) is a "disinterested person," as such term is defined in section 101(14) of the Bankruptcy Code, as required under section 327(a) of the Bankruptcy Code. Moreover, to the best of my knowledge, information, and belief, EY LLP's retention is not prohibited or restricted by Bankruptcy Rule 5002. Accordingly, I believe that EY LLP is eligible for retention by the Debtors under section 327(a) of the Bankruptcy Code.

5. On or about August 18, 2022, EY LLP submitted an invoice to Debtor Regal Cinemas, Inc. in the amount of \$150,000 for bankruptcy tax advisory services (the "Retainer"). On or about August 30, 2022, EY LLP received the Retainer payment from Debtor Regal Cinemas, Inc. As of the Petition Date, the balance of the Retainer was \$150,000. EY LLP shall apply \$122,553 from the Retainer toward fees and expense reimbursements for bankruptcy tax advisory services that EY LLP provided to Debtor Regal Cinemas, Inc. between August 18, 2022 and September 7, 2022 (the "Petition Date"), and the remaining \$27,447 from the Retainer to post-petition fees and expense reimbursements that the Debtors are authorized to pay to EY LLP for bankruptcy tax advisory services during these chapter 11 cases.

6. During the ninety days before the Petition Date, the Debtors paid approximately \$753,081.94 to EY LLP, of which \$150,000 constituted the Retainer.

7. As of the Petition Date, EY LLP was owed \$98,428 by the Debtors on account of services provided by EY LLP both prior to and following the Petition Date (\$98,428 for prepetition services and \$0 for post-petition services), excluding the \$122,553 referenced in paragraph 5 above.

Upon approval of EY LLP's retention in these cases, EY LLP shall waive its right to receive any unpaid fees incurred on the Debtors' behalf prior to the Petition Date, except to the extent disclosed in paragraph 5 above.

Professional Compensation and Reimbursement of Expenses

8. EY LLP intends to charge the Debtors fees for the Services, as set forth in the Engagement Letters and summarized below.

- a) With respect to bankruptcy tax advisory services, the Debtors shall pay EY LLP based on the actual time that EY's professionals spend performing such services, billed at the following rates per hour, not including taxes:

| <u>Title</u> | <u>Hourly Rate (USD)</u> |
|---------------------|---------------------------------|
| Partner/Principal | \$1,250 |
| Managing Director | \$1,150 |
| Senior Manager | \$950 |
| Manager | \$850 |
| Senior | \$600 |
| Staff | \$400 |

- b) Provision of the Services pursuant to the First Tax Compliance SOW will be provided for a fixed fee of \$75,000.
- c) Provision of the Services pursuant to the Second Tax Compliance SOW will be provided for a fixed fee of \$195,000.

9. EY LLP's fees are exclusive of taxes or similar charges, as well as customs, duties, or tariffs imposed in respect of the Services, all of which the Debtors shall pay (other than taxes imposed on EY LLP's income generally).

10. In addition to the fees set forth above, the Debtors shall reimburse EY LLP for any direct expenses incurred in connection with EY LLP's retention in these cases and the performance of the Services set forth in the Engagement Letters, including all taxes, which, for the avoidance of doubt, shall include value-added taxes, sales taxes, and other indirect taxes. EY LLP's direct

expenses shall include, but not be limited to, reasonable and customary out-of-pocket expenses for items such as travel, meals, accommodations, and other expenses (including any fees or reasonable expenses of EY LLP's legal counsel) related to the Services.

11. If EY LLP is requested or authorized by the Debtors, or is required by government regulation, subpoena, or other legal process, to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letters, the Debtors would, so long as EY LLP is not a party to the proceeding in which the information is sought, reimburse EY LLP for its professional time and expenses, as well as the fees and expenses of EY LLP's counsel, incurred in responding to such requests.

12. EY LLP may receive rebates in connection with certain purchases, which are used to reduce charges that EY LLP would otherwise pass onto its clients.

Certain Other Terms of the Engagement Letters

13. EY LLP's provision of Services to the Debtors is contingent upon this Court's approval of each term and condition set forth in the Engagement Letters.

14. The Engagement Letters may be terminated by EY LLP or the Debtors in accordance with their terms. The Debtors or EY LLP may terminate the Engagement Letters at any time in writing, but in any event the Engagement Letters will terminate upon the effective date of the Debtors' confirmed plan of reorganization, the liquidation of the Debtors' assets under chapter 11 or 7 of title 11 of the United States Code (the "Bankruptcy Code"), or otherwise. Notwithstanding such termination, however, the Debtors' estates will remain obligated to pay all accrued fees and expenses as of the effective date of such termination. Moreover, as described therein, certain other terms of the Engagement Letters will continue (either indefinitely or for a specified period of time) following termination.

15. Copies of the Engagement Letters are submitted with this Declaration for approval.⁴

EY LLP's provision of Services to the Debtors is contingent upon the Court's approval of each term and condition set forth in the Engagement Letters. Included among the terms and conditions set forth in the Engagement Letters is language substantially similar to the following:

Any controversy or claim with respect to, in connection with arising out of, or in any way related to this Agreement or the services provided hereunder (including any such matter involving any parent, subsidiary, affiliate, successor in interest or agent of the Client or its subsidiaries or of EY LLP) shall be brought in the Court or the applicable District Court if such District Court withdraws the reference and the parties to this Agreement, and any and all successors and assigns thereof, consent to the jurisdiction and venue of such court as the sole exclusive forum (unless such court does not have jurisdiction and venue of such claims or controversies) for the resolution of such claims, causes of action or lawsuits. The parties to this Agreement, and any all successors and assigns thereof, hereby waive trial by jury, such waiver being informed and freely made. If the Court or the District Court upon withdrawal of the reference does not have or retain jurisdiction over the foregoing claims or controversies, the parties to this Agreement and any and all successors and assigns thereof, agree to submit first to nonbinding mediation; and, if mediation is not successful, then to binding arbitration, in accordance with the dispute resolution procedures set forth in the Exhibit B to this Agreement. Judgment on any arbitration award may be entered in any court having proper jurisdiction. The foregoing is binding upon the Client, EY LLP, and any all successors and assigns thereof.

Ernst & Young Global Limited

16. The Ernst & Young global network comprises independent professional services practices conducted by separate legal entities throughout the world. Such legal entities are members of Ernst & Young Global Limited ("EYGL"), a company incorporated under the laws of England and Wales and limited by guarantee, with no shareholders and no capital. The EYGL

⁴ To the extent that this Declaration and the terms of the Engagement Letters are inconsistent, the terms of the Engagement Letters shall control.

member firms have agreed to operate certain of their professional practices in accordance with agreed standards, but remain separate legal entities.

17. The particular firm that the Debtors seek to retain in these chapter 11 cases, EY LLP, is a member firm of EYGL in the United States. EY LLP does not have a parent entity, but rather is 100% owned by its partners. EY LLP engages in the practice of public accountancy and provides accounting and other professional services. All partners of EY LLP are Certified Public Accountants (“CPAs”).

18. In addition, Ernst & Young U.S. LLP (“EY U.S. LLP”), the owners of which are EY LLP CPA partners and non-CPA principals, is another member firm of EYGL in the United States. EY U.S. LLP provides infrastructure and support services to EY LLP, including the services of CPA and non-CPA personnel. In particular, EY LLP uses EY U.S. LLP personnel in providing services to EY LLP’s clients. Such EY U.S. LLP personnel continue to be employed by EY U.S. LLP, but work under EY LLP’s supervision in EY LLP engagements.

Disclosure of Connections

19. In connection with EY LLP’s proposed retention by the Debtors, Debtors’ counsel provided a list of names of parties in interest in these cases (the “PIIL”) to EY LLP on or about August 30, 2022 and supplemented from time to time thereafter. The specific names that were set forth on the PIIL that EY LLP received from the Debtors’ counsel are referred to herein as the “Parties in Interest.”

20. EY LLP has access to a computer database (the “Database”) that contains information about actual client engagements and potential engagement activity of all of the member firms of EYGL. The Database also includes the names of other parties that the professionals on the relevant engagement team have identified as also being involved in each engagement (*e.g.*, adverse parties and co-clients). Thus, the Database indicates whether any

Debtor entity is involved in an engagement by an EYGL member firm in which a Party in Interest is a client.⁵

21. EY LLP caused the names of the Parties in Interest to be run through the Database. The disclosure schedule annexed hereto as **Schedule 1** lists the names of the Parties in Interest and whether a client engagement has been initiated in the Database during the last three years by EY LLP or any other EYGL member firm.

22. To the best of my knowledge, information and belief based on the information set forth in the Database, none of the services rendered to Parties in Interest by EY LLP or any other EYGL member firm have been in connection with the Debtors or these chapter 11 cases, except as otherwise stated herein.

23. Additionally, EY LLP conducted a search to determine whether EY U.S. LLP (but not any other member firm of EYGL) has paid any person or entity that is specified on the PIIL as being a professional service provider that has been retained by a Party in Interest (the “Party-Retained Professionals”) to provide professional services during the last three years. Based on its search of that database, EY LLP has determined that EY U.S. LLP has paid the following Party-Retained Professionals during the last three years for professional services: Akin Gump Strauss Hauer & Feld LLP, AlixPartners LLP, Arnold & Porter Kaye Scholer LLP, Davis Polk & Wardwell LLP, and Wills Towers Watson.

24. EY LLP cannot prohibit any other EYGL member firm from accepting any client engagements, including in matters that may be adverse to the Debtors or their bankruptcy estates.

⁵ The information in the Database is populated by the professionals who are providing services under each engagement. Therefore, the information in the Database may not be 100% correct with respect to all engagements, as human errors may occur. Furthermore, financial information pertaining to engagement activity is the proprietary and confidential information of each individual EYGL member firm. EY LLP may not have the right to access, or if accessed, disclose, such information relating to other EYGL member firms.

Nevertheless, if EY LLP becomes aware of any such engagement by another EYGL member firm, EY LLP will file a supplemental declaration with the Court that contains the pertinent information that EY LLP is authorized to disclose.⁶ Moreover, if EY LLP becomes aware that another EYGL member firm represents a Party in Interest in a matter that is adverse to the Debtors or their bankruptcy estates, EY LLP will not permit anyone from such non-US EYGL member firm's engagement team who provides services to the Party in Interest in the adverse matter to be involved in the Services that EY LLP provides for the Debtors during these chapter 11 cases.

25. In the ordinary course of business, certain EYGL member firms (the "EY Support Firms") provide various professional, administrative, and back office support services for client-facing EYGL member firms throughout the world, as requested, coordinated, and directed by such client-facing EYGL member firms (including EY LLP). An EY Support Firm assisted EY LLP in performing EY LLP's connections check for these chapter 11 cases. The costs paid by EY LLP to EY Support Firms for such connections check related services will not be billed to the Debtors. EY Support Firms do not provide client-facing services. Because the Database against which the names of the Parties in Interest was run for EY LLP's connections check contains client engagement information for all client-facing EYGL member firms, no EY Support Firm will run its own connections check or file a declaration in these chapter 11 cases.

26. Before the Petition Date, EY Support Firms assisted EY LLP in providing services to the Debtors.

⁶ There may be situations in which EY LLP will be unable to disclose engagements of non-US EYGL member firms. For example, laws or regulations applicable to a non-US EYGL member firm may preclude that firm from providing information regarding its client engagements to EY LLP, or applicable laws and regulations may prohibit disclosure. If that issue arises, EY LLP will discuss it with the U.S. Trustee to try to reach a resolution.

27. Notwithstanding any use of EY Support Firms, EY LLP shall remain fully and solely responsible for any liabilities and obligations in respect of EY LLP's engagement and Services during these chapter 11 cases.

28. I am informed that during these chapter 11 cases, the EYGL member firm in Israel is expected to be engaged by non-Debtor affiliates of the Debtors to perform certain services, and non-Debtor affiliates will pay such EYGL member firms directly for such services. EY LLP may provide services to such EYGL member firms in connection with their performance of such services to non-Debtor affiliates.

29. EY LLP and other EYGL member firms may perform services for their clients that relate to the Debtors merely because such clients may be creditors or counterparties to transactions with the Debtors and whose assets and liabilities may thus be affected by the Debtors' status. The disclosures set forth herein do not include specific identification of such services.

30. As part of its practice, EY LLP appears in cases, proceedings, and transactions involving many different attorneys, financial advisors, and creditors, some of which may represent or be parties involved in these chapter 11 cases.

31. EY LLP may currently be a party or participant in certain litigation matters involving Parties in Interest, which matters are unrelated to the Debtors or these chapter 11 cases.

32. EY LLP does not directly hold any debt or equity securities of the Debtors. In addition, none of the EY LLP or EY U.S. LLP professionals who are currently on the engagement team that is providing Services to the Debtors directly hold any securities in the Debtors, but those engagement team members may hold interests in mutual funds or other investment vehicles that may own securities of the Debtors.

33. It is possible that professionals of EY LLP and EY U.S. LLP who are not currently on the engagement team that is providing Services to the Debtors may directly or indirectly hold securities of the Debtors or interests in mutual funds or other investment vehicles that may own securities of the Debtors. Additionally, EY LLP and EY U.S. LLP professionals, whether or not on the engagement team that is providing services to the Debtors, may have economic interests in or business associations with Parties in Interest.

34. To the best of my knowledge, information and belief, neither I nor the professionals expected to assist the Debtors in these matters are connected to the Bankruptcy Judges in this district, the U.S. Trustee, or any person employed by the U.S. Trustee as identified in the PIIL. Moreover, to the best of my knowledge, information, and belief, EY LLP's retention is not prohibited by Bankruptcy Rule 5002.

35. Despite the efforts described above to identify and disclose connections with Parties in Interest, because the Debtors are a large enterprise with numerous creditors and other relationships, EY LLP is unable to state with certainty that every client representation or other connection with Parties in Interest has been disclosed herein. If EY LLP discovers additional information that requires disclosure, EY LLP will file supplemental disclosures with the Court.

36. Certain Parties in Interest are lenders to EY LLP and/or EY US LLP: Barclays Bank PLC, HSBC Bank USA, N.A., JPMorgan Chase Bank, N.A., Wells Fargo Bank, National Association, and Bank of America, N.A. participate in EY LLP's and EY US LLP's Revolving Credit Program; EY LLP and EY US LLP have borrowed long-term debt from American General Life Insurance Company (AIG), American International Group UK Limited (AIG), Metropolitan Life Insurance Company (MetLife Inc.), Nuveen (Teachers Insurance and Annuity Association of

America), and Swiss Re Life & Health America Inc. In addition, Chubb Group of Insurance Company is a surety bond provider on behalf of EY LLP and EY US LLP.

37. To the best of my knowledge, information and belief, prior to the Petition Date, EY LLP performed certain professional services for the Debtors, including tax advisory and tax compliance services.

38. At the Debtors' request following the Petition Date and prior to Court approval of EY LLP's engagement in these cases, EY LLP may provide, in its sole discretion, certain of the Services described in the Engagement Letters. Thus, EY LLP requests that its retention be authorized as of the Petition Date.

39. To the extent required by section 504 of the Bankruptcy Code, except as otherwise set forth herein (*e.g.*, if another EYGL member firm provides services to the Debtors under a subcontracting arrangement with EY LLP), EY LLP has not shared or agreed to share any of its compensation in connection with this matter with any other person, other than the partners, principals, and employees of EY LLP and EY U.S. LLP.

40. EY LLP intends to apply to the Court for payment of compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and the Engagement Letters, and pursuant to any additional procedures that may be established by the Court in these cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
